EMCH2025, International Conference
on Electromagnetic Compatibility

6 - 8 April 2025

Hunguest Bál Resort - Balatonalmádi, Hungary

Invitation

EMC Hungary 2025 – EMCH2025, International Conference on Electromagnetic Compatibility is the first occasion of the biennial EMCH conference series on Electromagnetic Compatibility organized jointly by the Budapest University of Technology and Economics, Robert Bosch Kft. and ThyssenKrupp Kft. The goal of the conference is to provide an international forum for electromagnetic compatibility engineers, researchers, and professionals to share their contributions in the fields of EMC measurement techniques, engineering design solutions and simulation techniques of commercial, automotive, aerospace and any other (e.g. healthcare, railway, etc.) applications. The conference caters to both academicians and industrial professionals, therefore state-of-the-art university research and cutting-edge industrial innovation will be presented side by side, followed by social gatherings that promote the exchange of information and nurture fruitful cooperations between the various fields of the profession.

CONFERENCE TOPICS

EMC simulation techniques and use cases

Layout solutions and concepts

Power Integrity and Signal Integrity

Filtering (active, passive)

HUNGUEST BÁL RESORT - BALATONALMÁDI, HUNGARY

Bajcsy-Zsilinszky út 14, H-8220 Balatonalmádi, Hungary

Located on the northern shore of Lake Balaton, **Balatonalmádi** is a picturesque resort town in Hungary that offers a perfect blend of natural beauty and cultural attractions. Our conference venue, **Hunguest Bál Resort**'s interior was fully renovated in 2022. The goal was to make the guests feel close to the tranquil harmony of the lake and the waterfront. The rooms offer a picturesque panoramic view, so the guests can easily immerse themselves in the relaxing scenery of the thousand-faced Lake Balaton in all seasons.

Exhibition booths will be located in the vicinity of lecture hall in the coffee break area. We offer sponsorship packages with which you will be able to achieve the biggest exposure to your company. We are convinced that this event presents an excellent option to exhibit your technology and services to a large number of counter parts and, further, to become a sponsor of this event to make it more attractive. For advertising, exhibiting and sponsorship opportunities, please contact:
